

Philadelphia, PA | EST. 2017

### **League Organization**

The league will bowl at Lucky Strike Philadelphia at 8:00pm on Mondays. This schedule consists of 7 weeks of scheduled league play and one tournament week.

League fees must be paid at the time of online registration.

All bowlers must observe the rules and regulations of Lucky Strike Philadelphia, which includes not bringing outside food and beverage, not smoking in designated areas and responsible use of their facility.

### **Teams:**

Team rosters must consist of 5 players. Teams must designate a captain to be the primary point of contact for league communications. Captains are also responsible for identifying the scored bowlers per game on the provided score sheets.

### **Schedule:**

The league schedule will be randomly generated and provided prior to the start of league play. Players should arrive early, as gameplay will begin promptly at the assigned time. Teams that do not have enough players (at least three) at the start time are offered a 5 minute grace period before a forfeit will be assessed.

### **Weekly Play:**

Each week, the team captain, or delegate, must identify the players present.

Each game, the total pins will be added together for a total game score. A win is worth 2 points and a tie is worth 1 each. No tie-breakers exist in regular season play.

A bowler who arrives late may enter the game provided 3 frames have not been completed. In this situation frames missed may be made up.

The minimum legal lineup of 3 players must be available before the completion of the third frame of each game, or forfeit the points for that game. We ask that captains please communicate forfeits with as much advance notice as possible out of respect for your fellow Stonewallers. Forfeit teammates who can make the match can still bowl for fun against their opponents.

Absent players will not receive scores for the week. Instead, for each player who is missing the opposing team will get to select one of their own players' final scores to drop after the match has concluded.

*Special Absence:* In the event a team is unable to provide a legal lineup due to an injury, the team captain may request to use a substitute bowler. This request requires approval from both captains and a member of league leadership.

### Scoring:

Team position standings shall be determined on a 5 point basis, with 2 point(s) awarded for each game won and 1 point awarded for the high team series in each match.

League standings will be determined based on total number of wins. For the purpose of playoff seeding, ties in the league standings will result in random draw placement.
